ARCH

Opis produktu

The Arch goggle features an elastomer frame that provides a cool, and dry fit against your face. The lenses are easily interchangeable and available in a variety of colors and features for varying terrain and conditions All are 100% UV blocking and impact resistant. This goggle comes with its own microfiber carrying case. Available in vented or non vented lenses. Please note that these tend to fit better on larger faces. Customers with narrow faces may not get a good seal around the sides and nose.
Lens types: clear, grey, clear vented, grey vented.
Colors: black, blue, white, red.
