Spider

Opis produktu

SPIDER is a **comfortable** and **durable** summer suit, based on the Focus model. Its short arms and ¾ legs make it especially suitable for hot weather jumps.

Although it is made in seven standard sizes for men and women, we can **customize** any standard size to your needs **free of charge**. In this way anyone can find their perfect size. Check the **size chart** for any possible **modifications**.

It comes in standard colors for **fast delivery** and **affordable price**. Contact us for any custom color combination you might wish.

Knees and bum are **reinforced**, made out of a very soft type of **CORDURA 500** fabric. Knees are **ergonomic**. There are a lot of **elastic parts** that ensure freedom and flexibility. All fabrics and materials are of **top quality**. Main fabric is the best available **TASLAN**, which is completely **windproof**, yet very **breathable** and pleasant to the touch.
